

BAYVIEW CAPITAL GROUP ANNOUNCES LATEST TRANSACTION

Wayzata, Minnesota, February 8, 2012 – Bayview Capital Group announced today that its client, Recovery Technology Solutions (RTS) received an equity investment from US Renewables Group.

Bayview Capital Group assisted in the formation of RTS and served as its exclusive financial advisor.

About Recovery Technology Solutions

Founded in 2011, RTS is a Minneapolis, Minnesota based project development company focused on asphalt recycling and benefits from an exclusive technology licensing arrangement with Crown Iron Works Company.

RTS is led by Trevor Bourne and Andrew Czech.

About US Renewables Group

US Renewables Group (USRG) is one of the largest investment firms focused exclusively on the renewable energy industry. USRG was founded in 2003 and has over \$750 million of capital under management to invest in the renewable power, biofuels, and clean technology infrastructure sectors. USRG has made 23 diversified investments across three investment funds. USRG has offices in Los Angeles and New York.

About Bayview Capital Group LLC

Bayview Capital Group is a boutique mergers and acquisitions and financial advisory firm specializing in the representation of premier middle-market companies. Bayview works with a limited client base so it can devote concentrated resources and personalized attention to each transaction. Typical transaction sizes range between \$10 million and \$100 million. The company was founded in 1995 and operates with offices in Wayzata, Minnesota.
